

QUEST

QUEST Fresh Finds

BY DANIEL CAPPELLO AND ELIZABETH MEIGHER

THIS MONTH, *Quest* debuts its first-ever Downtown Issue. Though we've never let geography keep us from the latest fashions and accessories, we admittedly do more shopping on Madison Avenue, less on Mulberry Street. That said, we happily took to downtown streets for some of this month's exceptional finds. One thing's for sure: no matter where these treasures are, we think they're worth the cab ride.

A blend of Cabernet Sauvignon, Carménère, Syrah, Cabernet Franc, and Merlot, VIK 2011, from Chile's Viña Vik, is a true masterpiece years in the making. \$140 per bottle at Astor Wines & Spirits, 399 Lafayette St., 212.674.7500.
